Because of YOU

Union Church Changes Lives! Pledge Campaign 2025

Union UNITED CHURCH
OF CHRIST
CONGREGATIONAL

Because of YOU Union Church Changes Lives!

Each of us, by our gifts and the decisions we make to employ them, power Union's sacred work. Our financial resources make Union's ministry happen. Your choice to grow in generosity enables the church to make an impact and hopefully even increase the difference we make.

Together Union Church changes lives by:

- giving us hope, reminding us of our value, calling us to discover and claim our purpose, clarifying moral right and wrong, passing on the faith and renewing it in every generation, and motivating us to be a part of something larger than ourselves.
- boldly including people and seeing diversity as our strength, not because WE say so, but because the Gospel says so.
- inspiring us to celebrate that God loves the world and engage in the work of breaking down barriers and dismantling systems which deny this fundamental truth.
- helping to bear witness through our own life stories that being a part of the beloved community makes us different and fervently believing that it will.
- engaging in acts of transformation that make this world closer to God's kingdom on earth, not just for us, but for all.

Take a step forward in your generosity!
BE BOLD! Choose to change lives with Jesus' love through your financial support of Union's ministries.
